Hello Michelle – I received your voicemail and will give you a call shortly after I send this message. I wanted to get the agenda for the meeting with the CPMA folks to you that includes the conference call-in information. I will try to have the lines open by 12:45 for introductions.

I am encouraged to see EPA's participation in this meeting and feel free to invite any others in Region 10 who may have an interest. Please send me a list of those who will be in attendance so I can keep track of who is participating.

Talk with you soon,

Doug
